Congratulations!

You have been selected for the DataCamp Machine Learning Track!

Congratulations! You have been selected as one of the recipients of Developer Circles Training Courses for DataCamp! We were impressed by your application and we want to continue to support you through your learning journey through access to the Machine Learning Track.

Due to the overwhelming number of strong applications, we have decided to expand this opportunity from 100 to 235 Developer Circles members. Therefore, you will be joining our inaugural group of 235 developers from around the world to participate in this 12-month training starting January 1, 2019.

NEXT STEPS:

1. You will soon receive an email from DataCamp outlining how to access the 12-month Developer Circle Training Courses for DataCamp.
2. You will be added to the “Developer Circles: Data Learners 2019” Facebook Group.
3. Please complete this survey by December 31, 2018:
<https://www.surveymonkey.com/r/devctrainingapplicants>

A webinar will be held in early January welcoming all of you to this program, outlining how to navigate through DataCamp, and what to expect throughout the year.

Congratulations again and wishing you all a joyous holiday season!
